Glad you will be coming to the call. For clarification, the questions I posed are not for the call. The state is asking.

See you at 10 in Snake River.

Thx.

Hi Wendy,

I'll come down for the call at 10. They were chronic calculations using chronic tox values and AT's.

Susan

Hi Susan,

Can you tell me what averaging time you used in your calculations? Also, did you use subchronic or chronic tox values?

Thx.
